The case has been removed from the trial list and has been scheduled for motion hearings in June. If the case survives the motions to dismiss, I will let you know the new trial date. Have a great vacation.

Hi Sonja

This is now Greg Bartlett's case. I have added him to this email. He will get back with you as soon as he finds out any information.

Have fun on vacation!

Hi Laila-

I just wanted to check in regarding the [REDACTED] case scheduled for trial on May 29, 2012. Has anything changed in the case? Do you think it is most likely going to trial, or end up a plea? I know it is still a few weeks away so you may not know anything new, but I'm trying to plan a vacation and there are only two weeks in the next two months where I only have one case scheduled, and yours happens to be one of them. Thanks.

-Sonja
